

LoFlo Backer

(GROOVEDTILEBACKER16)

(GROOVEDTILEBACKER20)

Cement coated grooved tile backer board
for water underfloor heating systems

Key Information

- Suitable for 12mm & 16mm Pipe
- Length: 1200mm
- Width: 600mm
- Thickness: 16mm (for 12mm pipe) & 20mm (for 16mm pipe)
- Weight: 2.3KG (16mm board) / 2.5KG (20mm board)
- Material: Extruded Polystyrene (XPS), Fibreglass mesh with cement coating
- Thermal conductivity: 0.034W/mK

For internal use as a retrofit component
